

Since K-LOVE began broadcasting in my local community last year, I have become a faithful listener. I love the music the station plays, and the DJ's are so uplifting, respectful, and family oriented, unlike most of the other DJ's on the radio. If

K-LOVE were to be displaced by an LPFM broadcaster, I know many members of my community would be disappointed, including my family. Several of my friends who normally wouldn't tune in to a Christian radio station actually listen to K-LOVE regularly, and if it would cease to exist, their positive influence from the radio would be gone. Therefore, the service provided by K-LOVE is in the public interest because it provides truth, encouragement, and access to connect with Christians outside our community. Please do not remove K-LOVE from our community radio.
